

I am writing on behalf of K-LOVE radio. I want you to know that this radio station is a very important part of my family's life. We listen to this station almost exclusively and would be most adversely affected if it were displaced by an LPFM broadcaster providing other programming. I can hear K-LOVE not only here in Denver but in most of the Colorado communities to which I travel on business and for pleasure. The service provided by K-LOVE is in the public interest because it provides an uplifting, positive Christian message that should be available for anyone to hear.

Thank you,

Gayle Duggan
